Warranty: 3 year NBD (Next Business Day) onsite warranty (The pricing should indicate as a separate line item on the quotes for each unit). Warranty and support included in solution price: countrywide on-site with full coverage (parts and labour for entire solution, including upgrades and accessories) during office hours (7:45 - 16:00), with 4-hour acknowledgement and next business day resolution (Zone-dependent as per Definitions) for 3 years (36 months) from date of delivery. OEM partner will be responsible for providing on-site services

CONDITIONS:

- All built-in wireless communications modules (radios) must be ICASA-certified
- **Manufacturing and environmental certifications:**
ISO 9000 certification for design, system and component manufacturing, and assembly
ISO 14000 certification for environmental management
Reduction of Hazardous Substances (RoHS)
State country of manufacture
Regulatory standards (international certification acceptable):
ISO/IEC 62368: Electrical safety
CISPR 32 / EN 55032: General EMC requirements
All supplied cables and connectors must be implemented according to the relevant international standards.
- **Supplier certification:**
all suppliers of this product to Government must be trained and certified by OEM to supply, install and support the offered solution; appropriate accreditation for the level of skill required
Component certification: All accessories, upgrades, options, parts and consumables supplied with this unit must be approved and supported by the device OEM (i.e. OEM warranty must be honoured).
- OEM must ensure via its partners and channel that sufficient spare parts and support resources are available at all times to meet SLA duration and turnaround times.
- only SITA accredited suppliers must respond
- Delivery Date: 30 days from receiving PO

ND: Please submit the signed quotation together with the attached SBD forms, Certified BBBEE Certificate/Sworn Affidavit, Latest Bank Confirmation Letter (Not older than 3 months), CSD Document/Number.
