Please be advised that student registration will be conducted strictly online for the 2021 academic year.

This means that students will be able to register from the comfort of their own homes. Tutorial videos will be made available on all social media platforms to assist the students with this process.

It should be noted that only admitted students will be able to register. If the College has not admitted you, then the system will not allow you to register.

Admitted students will receive SMS notifications from their respective Campuses, advising them to register.

The registration period is from the 19th of January 2021 – 22 January 2021 for both NCV and Report 191. There may be Campuses who may request their admitted students to register prior to these dates. This communicate will be official and the students are advised to adhere to it.

Kind Regards

X Madliki
